Indigo Valley Nursery Newsletter – April 2011

Dear Parents,

Super Sports Academy are excited to have started with our Super Skills Programme at Indigo Valley Nursery and hope that your children have enjoyed the past few weeks classes.

Next term we will continue to build on this term, to develop your child's general ball skills, balance and co-ordination as well as give them basic experience in a variety of sports and have lots of fun.

The newsletter will be sent out electronically to the e-mail address you've put on the registration form. If you have not received the newsletter please can you send me a mail, in order for me to check your mail address.

Rotating Trophy

Next term I am going to introduce a weekly rotating trophy where every week one child will get a chance to win the trophy and take it home for the week. This is given to someone who has tried particularly hard with the games or activities that week. That said, I try to make sure that everyone gets a turn. It is excellent encouragement and gives the children a sense of achievement.

Congratulations

As upcoming Sport Stars, your children have done well in their first term, and deserved their Gold medals and certificates!
