

Super Skills

Newsletter - December 2010

Dear Parents, we have reached the end of another term. I would like to use this opportunity to say a special thank you to Seashells Nursery for making their facilities available, then most of all, thank you to the parents who see the potential in their children and allowing us to play a part in their development, and just to have lots of fun!

Teaming up with ELC

Early Learning Centre has teamed up with Super Sports and brought with them a wide variety of new games and specifically developed equipment to make the learning experience easy and fun.

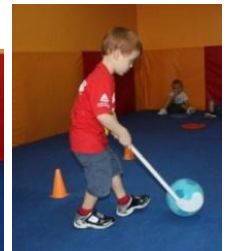

This term we introduced tennis, soccer, golf, cricket, hockey, basketball and gymnastics games in a simple and fun way, and will continue with it next term. The aim is to both introduce the different sports and experiences to the children together with developing their balance, ball skills, coordination etc. and to do it in a fun way.

T-Shirts

Unfortunately we had problems with the T-shirts. If you have any problems with the T-shirt you've been given, please return to the school, and I will replace it with a new one.

Rotating Trophy

We introduced a weekly rotating trophy where every week one child will get a chance to win the trophy and take it home for the week. This is given to someone who has tried particularly hard or was best with the games or activities that week. That said, I try to make sure that everyone gets a turn. It is excellent encouragement and give them a sense of achievement.

Congratulations

After a terms hard work, they deserved their Gold Medals, they are true Super Stars!

Happy Holidays

I hope you have a peaceful and relaxing holiday and see forward continuing classes in January.
Regards Theresa (theresa@supersportsdubai.com)
