

# Super Skills

## Newsletter – April 2011

Dear Parents,  
We've reached the end of another fun filled term, and our future sport stars has done well this term. They deserved their Medals and Certificates. Congratulations!

### More sports

I am always on the look out for new games and equipment, and added Baseball to our games this term. Remember we play elementary games which gives the children an idea what each sport is like with the focus on developing their basic ball skills, balance and co-ordination which will form the basis of any sport that they will do when they get older .

### T-Shirts

We handed out Blue Super Skills T-shirts this term, it looks to be of better quality than the red ones and each child who registers for the first time will receive one. If you like to buy additional T-shirts they are available for 30dhs each.
