## WIN AN ALL EXPENSES PAID TRIP TO THE MALDIVES

To qualify for the **OAKLEY Super Series**, competitors must compete in a specified number of Super Sports organized events during the 2011/12 season to obtain a Series Ranking. Competitors are however encouraged to compete in as many events as possible to maximize their chance of winning the Grand Prize. The following events are on offer:

- ZOGGS Mina Mile Open Water Swim Series
- ZOGGS Aquathlon Series
- SKINS Triathlon Series
- SKINS Super Run Series

All competitors who obtain 2, 3 or 4 respective Series Rankings, will have all their corresponding Luck Draw Entries entered into a LUCKY DRAW. At the End-of-Season Prize Giving Ceremony in May / June 2012 the name of the winner will be drawn and he/she will win an all expenses paid trip to the Maldives\*

### HOW TO OBTAIN A SERIES RANKING:

To qualify for a Series Ranking competitors must compete in any of the events below and in the specified number of races per event.

- ZOGGS Mina Mile Open Water Swims: 2 of 2 races with both results counting toward Series Ranking
- SKINS Super Runs: 3 of 5 races for a series ranking with top 4 results counting toward Series Ranking
- ZOGGS Aquathlons: 2 of 3 races for a series ranking with all 3 results counting toward Series Ranking
- SKINS Triathlon: 2 of 3 races for a series ranking with all 3 results counting toward Series Ranking

### EXTRA LUCKY DRAW ENTRIES PER RACE:

- If a competitor completes the race he/she will receive 1 entry to the Lucky Draw (LD)
- Any competitor competing in all races of a respective Series, will receive 10 extra entries to the LD
- If a competitor finishes in the top 10 overall category of a specific race (eg 8km run), additional entries for the LD will be awarded as per the table below eg. winners will receive an extra 20 entries to the LD with 10<sup>th</sup> place receiving 2 extra LD entries.
- The same table of points will be used upon the completion of the respective Series' races, where the overall rankings of competitors in that respective Event Series, will also receive extra LD entries

Finish Position	1	2	3	4	5	6	7	8	9	10
Extra LD Entries	20	18	16	14	12	10	8	6	4	2

- If a competitor finishes in the top 5 of a race age category (eg 8km run for men age group: 19 to 39), additional entries for the LD will be awarded as per the table below eg. winners will receive an extra 10 entries to the LD with 5<sup>th</sup> place receiving 2 extra LD entries

Finish Position	1	2	3	4	5
Extra LD Entries	10	8	6	4	2

- **As an example per race, a competitor winning an overall category race also automatically wins his age category race and therefore will be awarded 31 entries (1 entry for finishing the race + 20 entries for winning the overall race + 10 entries for winning the respective age category) for the LUCKY DRAW. So the more you enter and the better you do, the more LD entries you receive and the better your chance of winning the main prize!**
